Creating a Slideshow for Moodle

1. Create a Google Picasa Web album online
   - https://accounts.google.com
   - You have to create a google account if you don't already have one
   - Note: The slideshow must be set to public on the web in order for it to display in the school website.
2. Get the "embed" code for that album:
   - On the **My Photos** page, click your album.
   - Click **Link to this album** on the right-hand side.
   - Click **Embed Slideshow**.
   - Choose your slideshow settings, such as image size, captions, and autoplay.
   - Once you've chosen your settings, copy the resulting HTML code (Ctrl-C).
   - It'll be automatically updated when you make changes to your album.

3. Create a HTML Block in Moodle
   - Click on the <> Toggle HTML resource
   - Use (Ctrl-V) to paste your link
   - Save changes
